PEMBROKESHIRE HOUSING
TAI SIR BENFRO

28th February 2014

To whom it may concern

ATS Window Cleaning have been providing a window cleaning service at our Sheltered Schemes and main offices since November 2012.

They have provided an excellent high quality service and the Scheme Managers who monitor this service have provided positive feedback.

We have received no complaints regarding the standard of their work and they have made a huge improvement in the appearance of the schemes compared to previous contractors.

They are reliable and undertake the service within their agreed work schedules.

I have no hesitation in recommending ATS Window Cleaning for any window cleaning services required.

Yours faithfully,

Judith Arnold
